GENTLEMEN :- Some of my friends have thought proper to bring my name before you for the office of Representative for the county of Marion. For this high consideration I tender to those frinds my most kind regard. Although nothing could afford me more pleasure thon to serve them in any capacity in which I could be useful, I beg leave, on this occasion, to decline the honor. I do so, confidently believing that we have, in the ranks of the Democracy of Marion, very many gentlemen better qualified than myself for that responsible station.

I will most cordially unite with you in an effort to elect such men as will never disgrace their county by an admission that it is engaged in an unjust and unholy war with a foreign nation.

I am, very respectfully, your ob't ser'vt, J. P. DRAKE.

BRAGG'S INDIAN QUEEN VEGETA-BLE SUGAR COATED PILLS, The Great Popular Medicine

Of the day---Vast amount used per month --- The numerous and Wonderful Cures it effects--- Its Magical Effect upon Bilions Fevers, and Fever and Ague--- Great Excitement among the Doctors!

THE INDIAN GOREN VEGETABLE SDOAN COATED PILLS are now admitted, on all hands, to be the most extraordinary and reluable medicine in general use. It not only acts as a specific upon Billions and Typhus Fevers, Chills and Fever, and Fever and Ague of the west and south, but in all discusses of debility, weak stomach, indigestion, loss of appetite, impurity of the blood, and all discusses prevalent in a western and conthern climate. Their great power consists in their peculiar effect upon all the organs of the system, and the rapid formation of new and rich blood, which they produce. In this lies the great secret of their success. They are mild and pleasant in their action, but searching and permanent in their effect; penetrating the remotest recesses of the system by their ready absorption into the blood, thereby infusing a new supply of vitality and nervous power into all the machinery of life. The extensive popularity they have acquired allover the west and south, ensures sales of at least WHE INDIAN QUEEN VEGETABLE SUGAR COATED PILLS ATE

One large manufactory is constantly engaged in preparing the various concentrated extracts of which they are composed. From the best information we can obtain from our 8,000 selling agents, and hosts of attentive correspondents in all parts of the country, our medicine cures, per month, not less than 10,000 cases of Fever and Ague, one thousand of which have resisted all other treatment;

Dr. Bragg's famous Sugar Coated Indian Queen Vegetable Fills are of two kinds—the Cathartic and Tonic. The Tonic pills are neculiarly adapted to the quick and permanent curs of Fever and ague, torpor of the Liver, and general debility. It is in Fever and Ague, Chill Fever, &c., that they achieve their greatest triumphs. It rarely requires over twelve hours; or more than half a box of the tonic pills, to break the chills and effect a permanent cure—which is rarely the case with the tonic mixtures of quinine, hawk—

ed about the country by ignorant pretenders. Those who take the tonic pills will never forsake them. Who can wonder, then, that a medicine of such extensive popularity, and extraordinary virtues should cause Great excitement among the Doctors! The prejudices of physicians against their use are at last giving way to the play of reason, and the convictions of every-day experience which they derive from their patients and friends who

Dear Sir—I have to inform you that I have used all our Tonic Pills, and therefore pray you to send me another supply immediately, as there is much fever and ague within the bounds of my practice, and I hardly know how to satisfy and cure my patients without them. I have thoroughly tested your Tonic Pills in my practice through this country, not only in chills and fever, but in real typhoid fever and have met with such success from their use, that I now find

Cure for Consumption. ES OF OBSTINATE PULMONARY COMPLAINTS CURED IN ONE WISTAN'S BALAM OF WILD CHERRY, the great American Remedy for Lung complaints and all affections of the Respirator

WE do not wish to trifle with the lives or hea'th of the afflicted. and we sincerely pledge ourselves to make no assertions as to the virtue of this medicine and to hold out no hope to suffering humanify which facts will not warrant. We ask the attention of the candid to a few considerations. Nature in every part of her works, has left indelible marks of adaptation and design. The constitution of the animals and vegetables of the torrid is such that they could not endure the cold of the frigid zone and vice verse. In regard to dis-

Having tried it in a case of severe affection of the hungs, unhesitatingly recommend it to those similarly afflicted as the best remedy that I have ever tried, and one which cured me when the physicans said I must die, and when I thought myself that my time to depart was near at hand.

Measrs. Sanford 4 Park: I take this opportunity of informing you a most remarkable cure performed upon me by the use of Dr. Wistar's Balsam of Wild Cherry. In the year 1840, I was taken with an inflammation of the bowels, which I labored under for 6 weeks, when inflammation of the bowels, which I labored under for 6 weeks, when I gradually recovered. In the fall of 1841, I was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every variety of medical aid, without benefit; and thus I warld along until the whoter of 1844, when I heard of Wistor's Balsam of Wild Cherry. My friends persuaded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitation, I was induced to make use of the Genuine Wistor's Balsam of Wild Cherry. The effect was truly astonishing. After five years of affliction, pain, and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most re-pectable physicians had proved unavailing, I was soon restored to entire health by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry. I am now enjoying good health, and such is my altered appearance, that I am no longer known when I meet my former acquaintances. I have gained rapidly in weight, and my flesh is firm and solid. I can now eat is much as any person, and my food se ems to agree with me. I have eaten more during the last six months than I had caten in five years before. Considerine my case almost a miracle I deem it necessary for the good of the afflicted, and a duty I owe to the proprietors and my fellow men, (who should know where reiter may be had,) to make this statement public. May the blessings of Wild Cherry.

SPRINGFIELD, KY., May 14, 1845.

Beware of Counterfeits.—Those who counterfeit a good medicine for the purpose of adding a few dollars to their pockets are far worse than the manufacturers of spurious coin. For while the latter only rob us of our property, the former take property and health and life away. Dr. Wistar's Balsam of Wild Cherry is admitted by thousands of disinterested witnesses to have effected the most extraordinary cures in cases of pulmonary and asthmatic character, ever before recorded in the history of medicine. The young, the beautiful, the good all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country. Such a high stand in public estimation has been achieved by its own merits alone. And so long as a discerning public are careful to get Wistar's Balsam of Wild Cherry, and refuse with scorn counterfeits, and every other article proffered to them as a substitute, so long will cures, positive cures, cheer the fire-sdie of many a despairing family.
